

E3.3: Schedule setting out the relationship between the Enfield Local Plan Policies and the London Plan Policies

The Council has prepared the following schedule in response to PQ6. As requested, the Council has sought to identify those London Plan policies that are particularly relevant to each policy in the ELP. For some of the policies in the ELP, in particular those relating to the spatial strategy and places, there are numerous London Plan policies that are of some relevance, but the Council has focused just on the policies of particular relevance.
