## Socio-economic classification

Occupational groups are taken from the 2021 Census. The table below indicates the occupational profile of the ward, compared with the borough in general.

# Grange Park

## Low Income Households

Data from CACI Ltd indicate that, as at 2024, households in the ward have an average (median) gross household income<sup>1</sup> of **around £65,000 per annum**, which is above the borough average. It is also higher than the average for the London area.

The percentage of households with an annual income below £25,000 is shown in the chart below.

The chart below shows the distribution of annual household incomes in the ward by £20,000 bands, with comparator areas.

As can be seen, higher than average proportions of households in the ward are in the higher income bands.

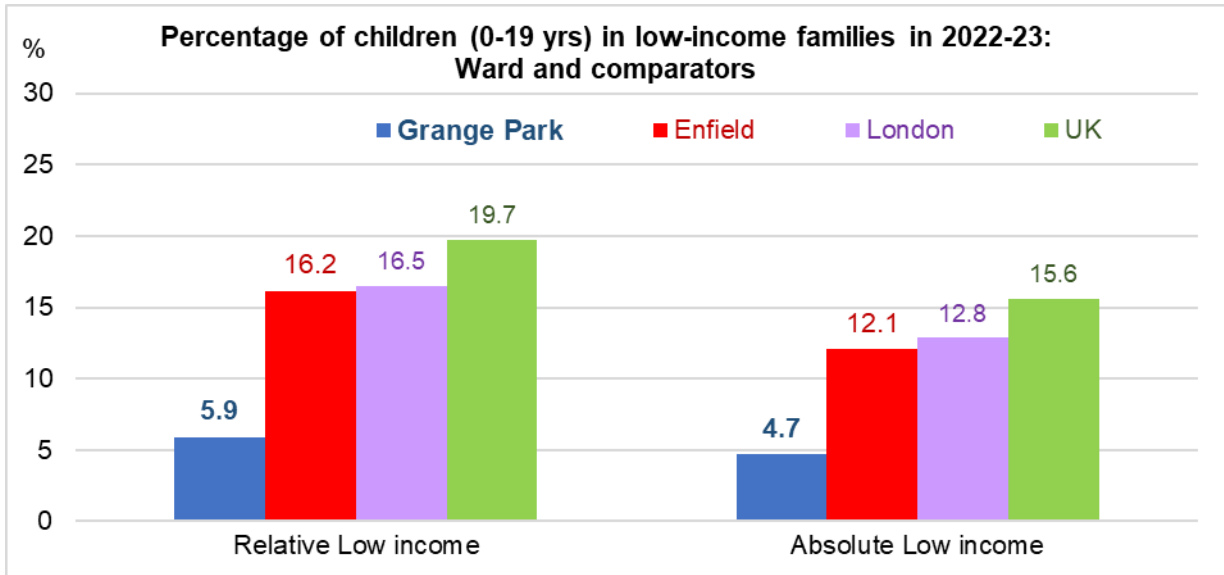

<sup>1</sup> Non-equivalised gross annual income. Figure is rounded to nearest £500.

# Grange Park

Statistics from the Department for Work and Pensions indicate that, in 2023:

- 128 children<sup>2</sup> in the ward were living in families with Relative low income, and
- 99 were in families of Absolute low income<sup>3</sup>.

The proportions of children in poverty compared with local, regional and national averages are shown in the chart below.

## Benefit Claims

- As of April 2024, the unemployed claimant count<sup>4</sup> in the ward was 115
- At February 2024, 473 households (including working families) were claiming Universal Credit

Proportions of residents and households receiving these benefits are shown below:

<sup>2</sup> Aged up to 19 years (includes 16-19 year-olds who are in training or non-advanced education – ie categories for which Child Benefit would be payable assuming no other disqualifying factors)

<sup>3</sup> Relative low income: equivalised household income is less than 60% of the UK median for that year. Absolute low income: equivalised household income is less than 60% of the UK median for the period 2010-2011.

<sup>4</sup> The 'narrow' measure of unemployment: the number of people receiving either Job Seekers' Allowance, or unemployed claimants of Universal Credit who are required to seek work.

# Grange Park

## Economically active people

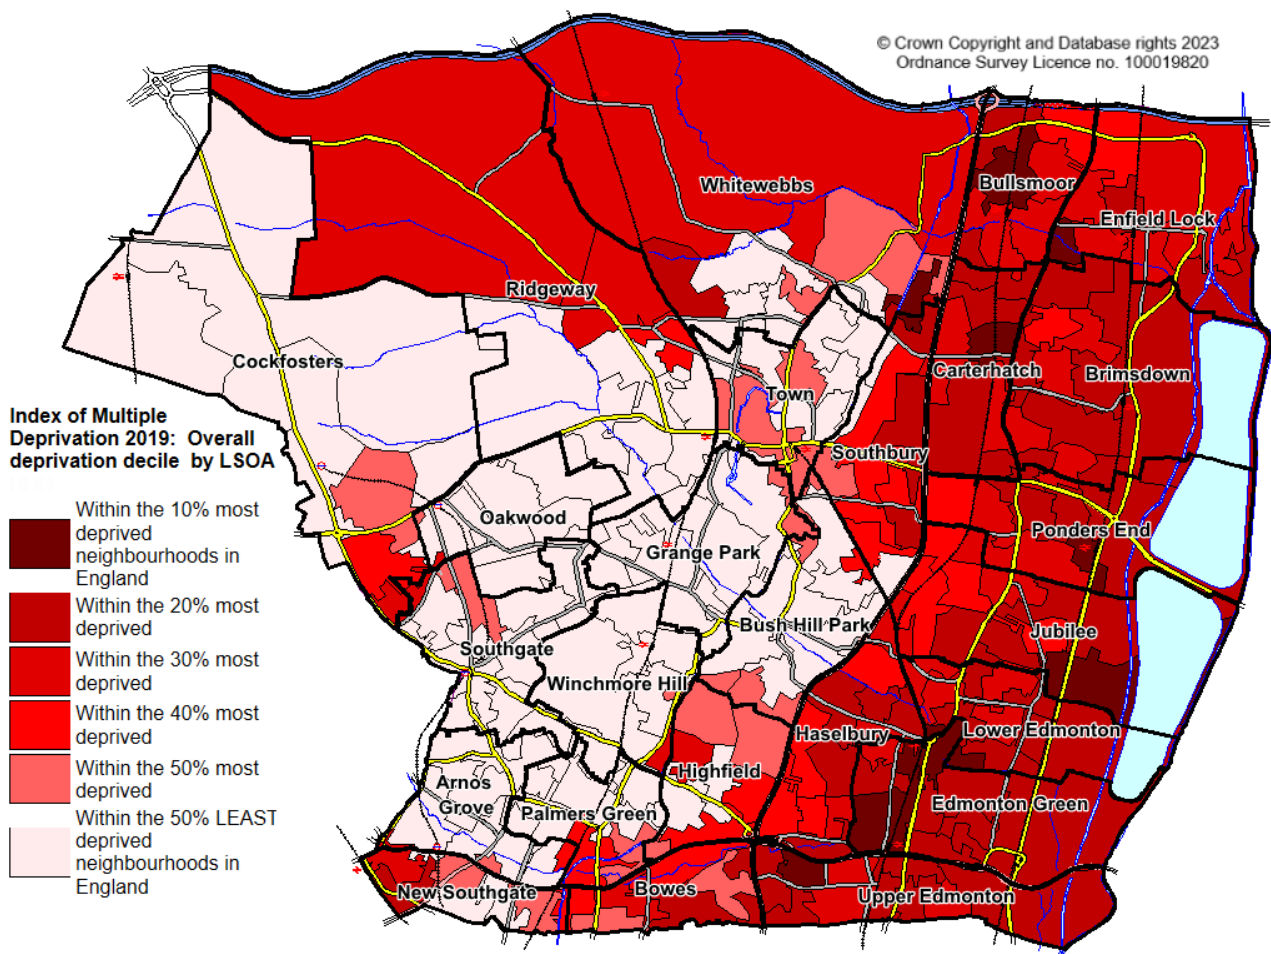

In 2021, the estimated proportion of people aged 16-64 who were in work or looking for work (the economically active) was higher than the borough average, at 77.3%. The proportion in employment was 73.0%.

## Deprivation score

The Indices of Deprivation 2019 – published by the Ministry of Housing, Communities and Local Government measure **relative** deprivation in neighbourhood areas (Lower Layer Super Output Areas). These are ranked and sorted into deciles of relative deprivation.

Grange Park is the least deprived ward in Enfield, and among the least deprived 30% of all wards in England.<sup>5</sup>

The map below illustrates how deprived the neighbourhood areas of the ward are, compared with all such areas in England. Darker shading indicates higher relative deprivation levels.

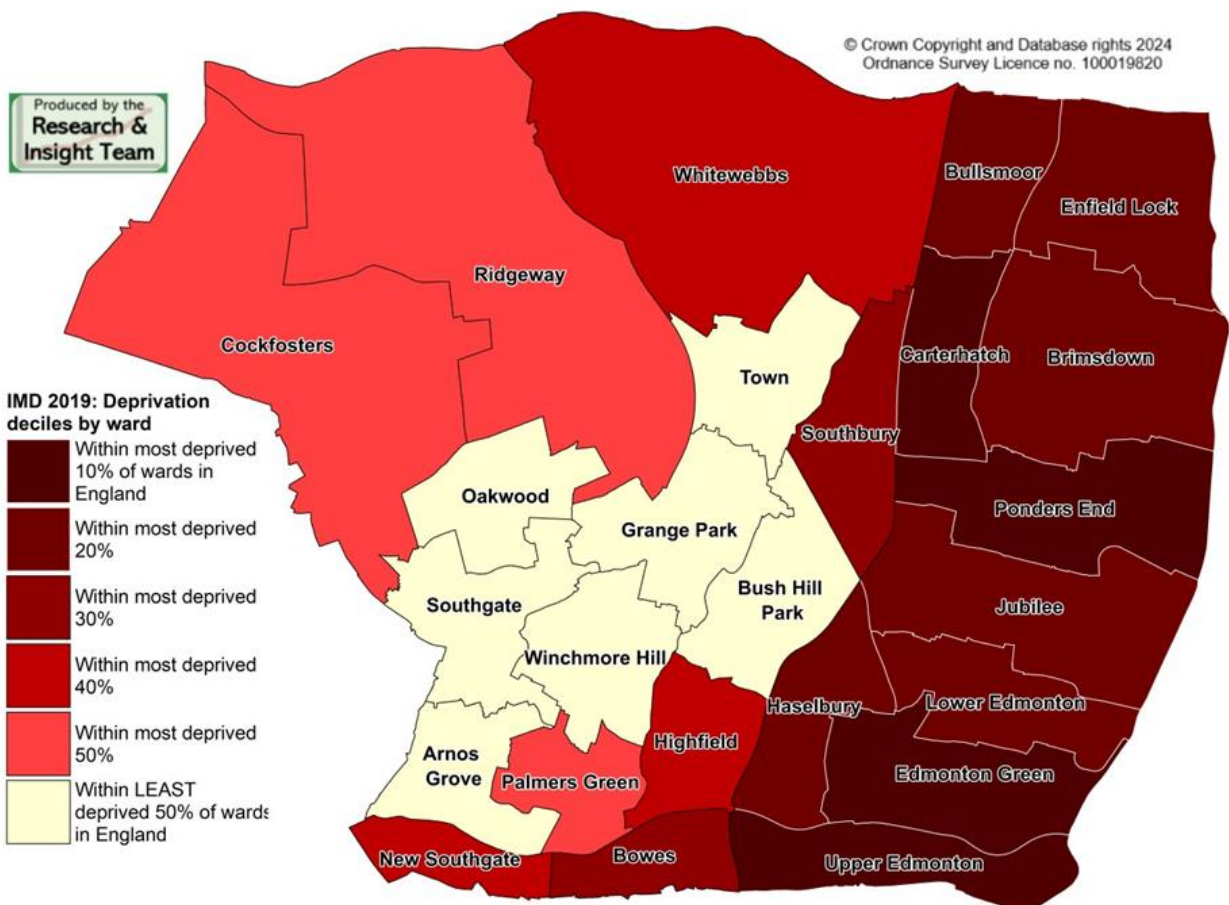

5% of Enfield's neighbourhood areas are among the 10% most deprived in the country, with a further 25% within the 20% most deprived. The chart below shows how the neighbourhood areas of the ward compares with this, and with the distribution in England.

## Health

The 2021 Census asks residents to describe their general health. The chart below illustrates the response:

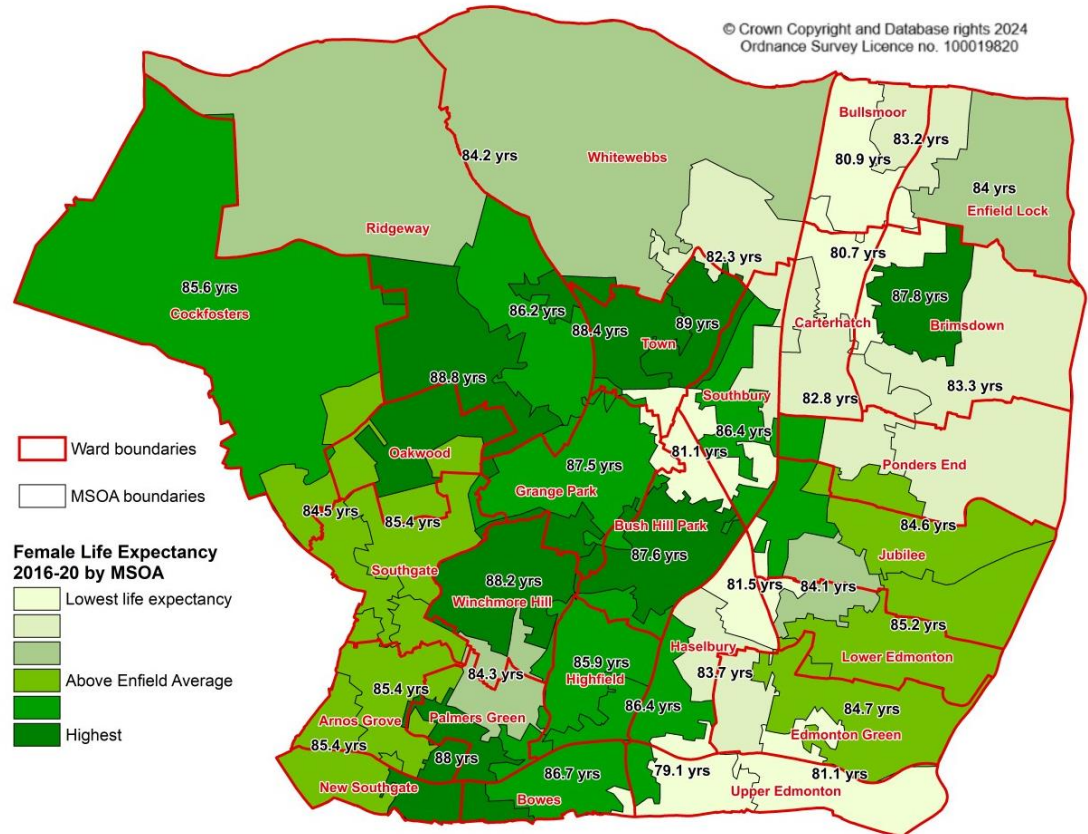

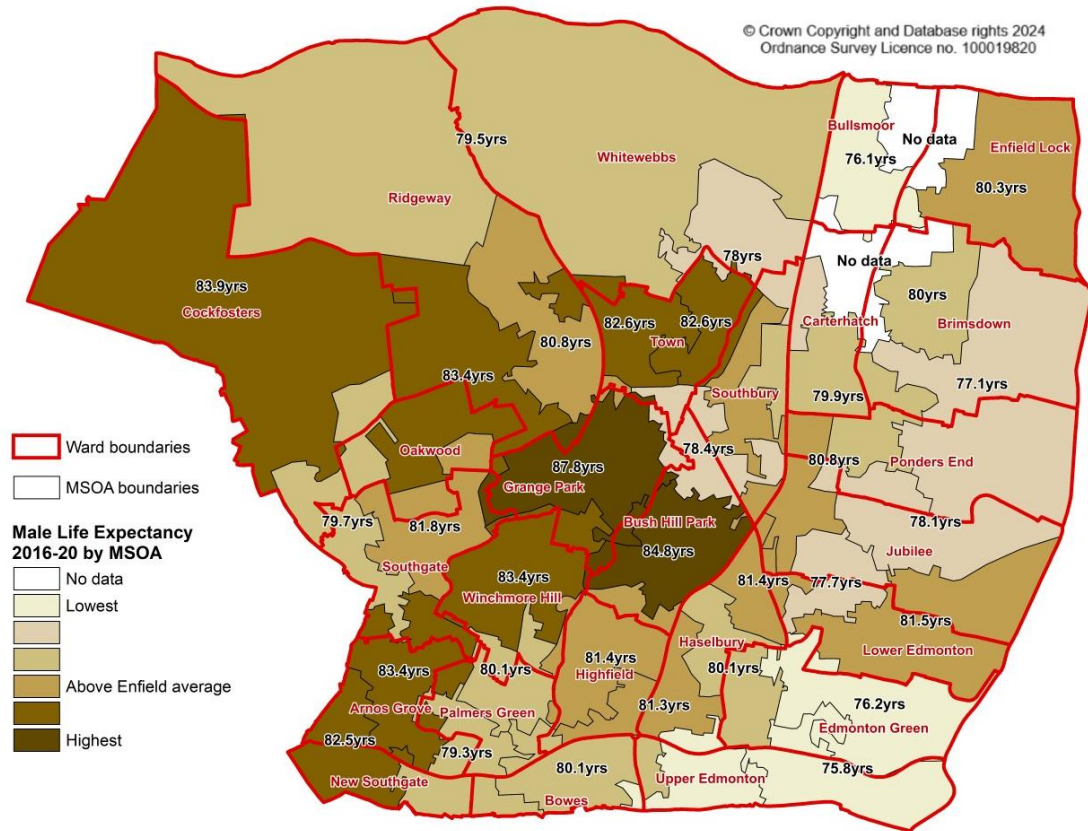

Ageing in a state of good health is obviously a desirable aim where possible, and the Census provides a snapshot of the health of people in different age groups. A separate analysis divides the population into those whose health is broadly 'Good' and those for whom it is 'Not Good'. The chart below details the percentage of under 65s and over 65s who describe their health as Good.

# Grange Park

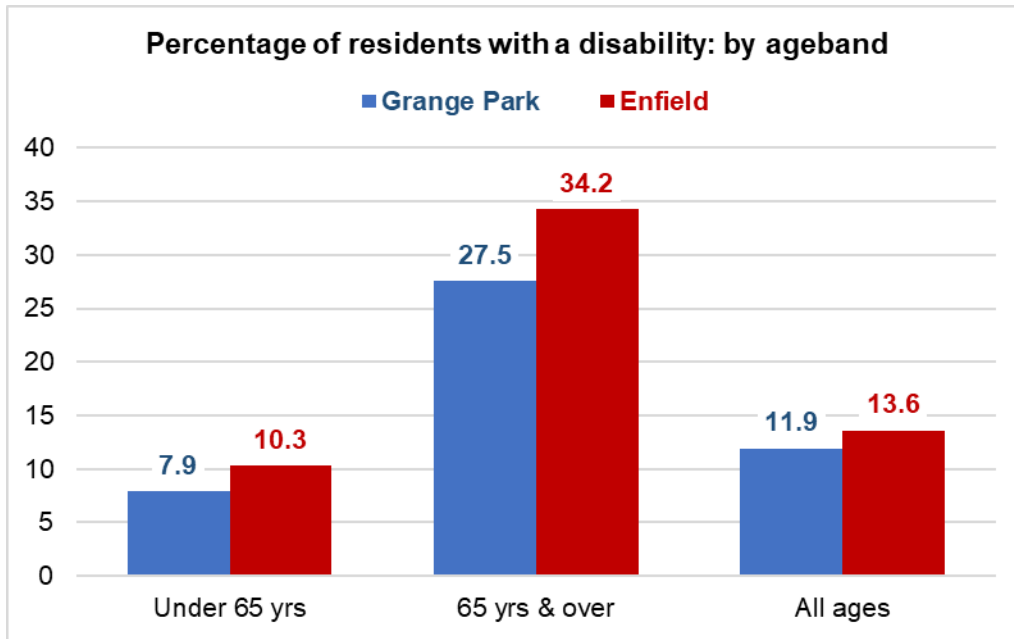

**Life Expectancy** information at ward level is not yet available for the 2022 Ward boundary geographies. However, data are available at Middle Layer Super Output Area level - another census geography with boundaries that do not match those of wards. These are mapped below for male and female residents: the darkest shaded areas have the highest life expectancy at birth.

# Grange Park

## Disability

According to the 2021 Census, 1,100 residents had a disability (as defined under the Equality Act 2010). The proportions by age band are shown below.
