

# Traveller Local Plan – Draft Plan

## Frequently Asked Questions (FAQs)

September 2024

## **1. Who are Gypsies, Travellers and Travelling Showpeople?**

Gypsies are Romany ethnic groups who have lived in Britain for around 600 years. Their ancestors originate from northern India. Irish Travellers are a nomadic group with a distinctive way of life who have been part of Irish and British society since ancient times. The courts have confirmed that Gypsies and Irish Travellers are distinct ethnic groups and are therefore protected under equality laws; this includes their right to a nomadic lifestyle.

Travelling Showpeople are people who own and operate the fairs, circuses and shows that travel around the country; they require permanent quarters to store equipment and live during the winter months.

## **2. What difficulties are faced by the travelling community? Gypsies, Travellers and Travelling Showpeople face a number of difficulties including:**

- Limited access to appropriate places to live
- Limited access to services and facilities
- Poorer health outcomes
- Poorer educational achievement
- Lower employment rates and levels of economic activity
- Racist abuse and discrimination

## **3. Why do the Council have to make provision?**

The National Planning Policy Framework (2023), require us to assess the need for Gypsy, Traveller and Travelling Showpeople accommodation and then ensure that these needs are met. An accommodation assessment for Gypsies and Travellers has been undertaken by Enfield Council to understand the local need for the Borough.

## **4. What will happen if sites are not provided?**

The Council would be in breach of planning guidance and could be taken to court. It would also increase the chances of unauthorised encampments which could have a significant impact on local residents and the environment and be inappropriate or unsafe for the Gypsies and Travellers themselves. Most importantly it would mean that some of our residents are not having their basic needs met.

## **5. Why do Gypsies and Travellers need a permanent site?**

Many Gypsies and Travellers now live in settled accommodation and do not travel all year, but nonetheless consider travelling to be part of their identity. However, a number would prefer to live on a site which allows them to have a settled base but the ability to travel when desired.

## **6. What are the Council doing?**

Enfield Council are preparing a Traveller Local Plan (TLP) to set out planning policies and allocate a number of sites for use by Gypsies and Travellers further to the Gypsy and Traveller Accommodation Needs Assessment (GTANA updated 2024) which sets out the evidence base. In addition, a Site Selection Methodology (SSM) has been published and updated, which sets out how sites will be assessed in due course.

## **7. What is the current consultation about?**

A number of sites have now been assessed and are proposed for allocation within the Draft Plan. In addition, there are two draft policies also proposed.

There are a number of supporting documents which are also available for comment, including:

- TLP Regulation 18 Consultation Statement
- Updated Gypsy and Traveller Accommodation Assessment (May 2024)
- Integrated Impact Assessment (IIA) 2024
- Equality Impact Assessment (EqIA) 2024
- Site Selection Paper (2024) – Incorporating the Final Site Selection Methodology.

As part of this TLP plan making process the Council is undertaking a further 'Call for Sites' inviting anyone with an interest in land, potential sites and broad locations for Traveller development to submit these to us for consideration. We are especially interested in sites within the built-up urban areas of Enfield.

Anyone wishing to submit a site is invited to do so, by completing a submission form which can be found in Appendix 2 of the TLP, or on our website at

## **8. Will you take account of objections from local residents?**

When taking any planning decisions we always take account of the views of local residents where these relate to valid planning grounds. A balance will need to be struck between meeting the accommodation needs of Gypsies and Travellers, and the impacts on the wider community.

## **9. What will happen next?**

Following the consultation, the Council will review the comments made and consider the best approach to take to ensure that the need is met. Before any final decisions are made there will be a further round of public consultation (called Regulation 19 consultation). An indicative timetable based on current Traveller Local Plan programme is set out here:
