Course registration information will be sent out by EY training.

***Please check mail and junk mail box 48 hours before the course date.**

Course cancellations - What happens if I do not cancel a course 48 hours before a course date?

Cancellations made less than 48 hours before the course date will result in a loss of the fee paid and a credit will not be applied to the account.

Can I be transferred onto another date?

To be transferred onto a different date, the original place should be cancelled and rebooked. As with **course cancellations**, if this change is made less than 48 hours before the course date, the fee paid will be lost and a credit will **not** be applied to the account.

A staff member is booked on a online course, who will receive the joining instructions for online training?

The joining instructions will be sent to the email address that is registered on the training account. In some cases, this may go to the setting/provider email but in some cases, this will be sent directly to the attendee **if** their email address is registered on the account.

Please check your emails 48 hours before the course date (including junk mail). If you have not received the joining instructions, you **MUST** email eytraining@enfield.gov.uk no later than 48 hours prior to the course starting and the information will be resent.

Course booking deadline

All courses have a cut off booking time of **48 hours** before the start of the course.

Online courses – no prior booking

Once EY training receives the register of attendees from the trainer, if a setting is identified as having more team members attend an online course, a payment request will be sent for the number of additional attendees.

If payment confirmation is not received by the deadline date provided in the email, the training account will be suspended. Any upcoming training that is booked will not be accessible until the payment confirmation receipt has been received by EY training. Any missed courses as a result of this will not be refunded.

Face to Face training

Once a face-to-face course has been booked, please ensure that this is diarised as course reminders **will not** be sent out.

Evaluation Forms - Course certificate

In order to access a course certificate, attendees must complete the Evaluation form.

You can do this by logging into your training account, Early Years Dashboard, “Completed Courses”, Select the attendee and complete the evaluation form. Once the evaluation form has been submitted, you will be able to download the certificate.

Training Log

A ‘Training Log’ has been added to the Early Years Dashboard. Here you can view all of the courses that each staff member has completed.

Change attendees name after a course

If another member of staff who is registered on the account attends a training session, the name can be changed following the course.

Other information

EY training is available to settings outside of the London Borough of Enfield. This may increase the number of providers wishing to book onto training.
