

# Open House Festival 2024

## Brief

### Background

Enfield Council, in partnership with the Enfield Society, is participating in Open House Festival 2024.

Open House Festival is a London-wide festival that opens-up and celebrates the city's architecture, special places, and neighbourhoods, with free open days and events taking place across all 33 London boroughs. You can find out more here [Open House Festival 2024 — Open City \(open-city.org.uk\)](https://open-city.org.uk)

### The Brief

We wish to commission creatives in Enfield to participate in Open House festival through responding creatively to a building of your choosing within the London Borough of Enfield and delivering an event in or outside that building.

You may wish to hold a performance, talk, deliver a workshop or something else entirely! We are keen to commission ideas that reveal and share the understanding, interpretation, knowledge, or feelings that connect or disconnect you as a creative individual to your chosen building.

We are keen to share your passion or reservation that you may have to a building. This is to encourage wider understanding and relationships between people and buildings in Enfield, as selected by Enfield creatives.

This is a fantastic opportunity for Enfield creatives to participate and promote their work within a London wide festival.

\*Please note that it is expected that you will approach the building manager to ensure you are able to hold an activity onsite. LBE can support you with this.
