Dear Enfield Council,

As a local resident and someone who loves Enfield for the amazing green space it offers. I have several issues with the Draft Local Plan. I am copying in my local ward Cllrs too to ensure they know how unhappy I am with the proposal, too much of Enfield's green has already been sold off.

I object to the following parts of the plan:

3,000 new houses at a 'deeply green' 'sustainable urban extension' referred to as 'Chase Park' (also known as Vicarage Farm) on the open Green Belt countryside next to Trent Park either side of the A110 (Enfield Road) between Oakwood and Enfield town **(Policy SP PL 10, pages 80-87, and Figure 3.11)**

**> you have already ruined Trent Park by allowing luxury homes to be built there.**

3,000 new houses in a 'sustainable settlement' at Crews Hill with the potential for longer term expansion up to 7,500 new homes right up to the M25. **(Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10)**

160 homes in Green Belt countryside at Hadley Wood **(SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364)**

Industrial and office development in the Green Belt near Rammey Marsh **(SA52 page 372)**

11 hectares of new industrial and storage and distribution use at what is currently agricultural land east of Junction 24 of the M25 at part of new Cottages and Holly Hill Farm within Enfield Chase **(SA54, page 374)**

The large expansion of the Spurs football training ground to the north of Whitewebbs Lane up to the M25, comprising of 42.5 hectares of land, for "professional sport, recreation and community sports/leisure uses" **(SA62 page 383 & SP CL4 pages 277–279)**
