

Dear Sir/Madam,

I am most concerned to have recently learnt of the above. It is quite wrong and against the health and welfare of the residents of Enfield to build on Green Belt Land. Green Belt land was planned for a very important purpose. It is also of particular concern that there are plans to build on areas of great historical importance to Enfield.

The following are the policies I am objecting to:

Policy SP PL 10 Pages 80 - 87

Policy SP PL (pages 77 - 80

SA 45 page 364

SA page 372

SA 54 page 374

SA 62 page 383 and SP CL4 pages 277 - 279

Policy DE6 (pages 156 - 160 and SA 2 Palace Gardens

I am I ask you note my strong objection to the above proposals in the Draft Local Plan.

Yours Faithfully
