

---

I wish to protest against your proposal to build on any part of OUR Green Belt Land. I assume you are aware of the definition and aim of the green belt ie to prevent urban sprawl by keeping land permanently open. As a council you are forever praising yourself for maintaining a green and pleasant borough yet slowly but surely you are gradually eroding our historic countryside. Obviously you have no conception of the history and culture of the borough and what escaping to open places means to the residents. A simple visit to the garden centres at Crews Hill can be a day out yet you are hell bent in depriving us of this pleasure. I urge you to rethink your policy.
