

---

Good afternoon,

I wish to express disgust / objection / disagreement at the plan to build 3500 homes in Crews Hill.

I live in Crews Hill. This will change the place that my family and I live beyond measure. There is no infrastructure for a 1000% increase in properties in this area. It will decimate the area.

There are other more suitable sites.

This area is classified as green belt.

Please protect the green belt an not destroy it.
