- 3,000 new houses at a 'deeply green' 'sustainable urban extension' referred to as 'Chase Park' (also known as Vicarage Farm) on the open Green Belt countryside next to Trent Park either side of the A110 (Enfield Road) between Oakwood and Enfield town (**Policy SP PL 10, pages 80-87, and Figure 3.11**)

As a family who have lived in Cockfosters for many years we wish to object to the plans above near vicarage farm and the countryside and fields on this beautiful greenbelt area. The authority should not be reducing greenbelt land but expanding this walking, farming area close to Trent Park.

This area has Great heritage and natural beauty and will destroy the greenbelt land and countryside and fields for future generations if approved.

These plans should be rejected by the planning committee and more sensible plans produced in areas that are not greenbelt land.
