
I am writing to object to Policies SP PL10 and SP PL9 which propose the designation of Green Belt for housing and other purposes. These sites are part of historic Enfield Chase, which is unique in the southeast and played an important role in the development of Enfield. It is a rare and valuable landscape asset and its loss would cause permanent harm not only to the Green Belt, but also to the very character of the borough.

There will be more traffic, more Poulton, more crime, and less green land, just building to look at. I brought my house for 1 of the reasons was, the green land at the back of my property.

The horse in the fields, bats and foxes living in there, and all sorts of wild live.
please do not build on the fields on enfield road.
