Hello

I'm an Enfield resident and live at 11 Hyde Park Avenue N21 2PL

I would like to express objection to the plans to extend the cemetery onto Firs Farm wetlands. This is a valuable green space that is used by many people for recreation. Myself and my family including my two young sons use the wetlands regularly and I cannot see how extending the cemetery is a good use of the space. Urban areas need more green space where people can exercise and enjoy the outdoors, not less.

Please reconsider these plans.

Yours Sincerely
