I am writing to object to the following Policies: SP PL10, pages 80-87, and Figure 3.11; Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10; Policy SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364; Policy SA54, page 374; and Policy SA62 page 383 and SP CL4 pages 277-279 – all of which propose the dedesignation of Green Belt for housing and other purposes. These sites are part of historic Enfield Chase, which is unique in the southeast and played an important role in the development of Enfield. It is a rare and valuable landscape asset and its loss would cause permanent harm not only to the Green Belt, but also to the very character of the borough.

These works would be extremely disruptive with the end result also being negative for those who live in the borough. It will affect the wildlife and the height of the buildings proposed is also unacceptable. We do not want to lose or affect the golf course and I feel it's extremely important to keep the green belt land.

Thank you
