To Strategic Planning and design team,

I object to draft policy DM BG16 in the Draft Enfield Local Plan: this allocates Firs farm Wetlands (Site ID SA59) as a site for burial and/or crematorium use.

I oppose this policy because:

- Firs Farm Wetlands is a very important community resource, essential to the health and well being of the local residents.
- The proposal will affect the local Site of Interest for Nature conservation, and reduce the biodiversity and nature conservation interest of Firs farm wetlands
- The draft policy contradicts Strategic Policy SP CL4 in the draft local plan.
- The proposal will reduce the effectiveness of the flood alleviation provided by Firs farm wetlands.
- The proposal will adversely affect the environment and local traffic, and this has not been properly considered in the Integrated Impact Assessment of the draft Local Plan.
- 

I call on the council to remove all reference to Firs farm wetlands from Policy SP CL4
