Dear Sir,

I am writing to you to register my strong opposition to proposed development plan at Site SA45

I have lived in Hadley Wood for over 20 years. I value all the green spaces within Hadley Wood and was drawn to the locality as it is surrounded by Green Belt, which protects the special character of the area. I therefore object to the proposed site allocation, which would allow the development of 160 homes on Green Belt land.

The proposed development is NOT SUSTAINABLE with limited local schools, healthcare, shopping and leisure facilities, poor local public transport and overcrowded local road. The proposed development will also destroy green belt and OUR UNIQUE HERITAGE LANDSCAPE. With frequent extreme heavy rain due to climate change, local Monken Mead Brook already reached full capacity, the proposed development will significantly increase the risk of flooding.

Best regards
