

---

I am writing to object to the following Policies:

- SP PL10, pages 80-87, and Figure 3.11;
- Policy SP PL9, pages 77-80
- Concept Plan Figure 3.10; Policy SA45:
- Land Between Camlet Way and Crescent Way, Hadley Wood, page 364;
- Policy SA54, page 374;
- Policy SA62 page 383
- SP CL4 pages 277-279

Loss of the above green belt will cause permanent harm to the green belt, it's landscape and our Borough as a whole. I am concerned about the following

- increased traffic
- increased air pollution
- increased in crime & disorder
- lack of green spaces
- damage to mental health of nearby residents
- damage to wildlife
- damage to ecosystems
- where these extra people are going to work
- lack of school places available for number of houses

I also object to Policies SA62 page 383 and SP CL4 pages 277-279 because they transfer part of Whitewebbs Park, a public amenity, into private management. I reject the Council's analysis that Whitewebbs Golf Course was losing money and call for its reinstatement.

I am also objecting to Policy SA52 page 372, which would remove part of Rammev Marsh, a wildlife area and public amenity, from the Green Belt.

I am also objecting to the tall building policies on pages 156-160, Figure 7.3, Figure 7.4 and Policy DE6, and SA2 Palace Gardens Shopping Centre page 321 which propose areas for and the acceptable height of tall buildings which, would completely ruin the landscape. The town is already far behind other towns and doing this will only ruin it further

I fully oppose these plans
