I object to draft policy DM BG16 in the Draft Enfield Local Plan. This allocates Firs Farm Wetlands (Site ID SA59) as a site for burial and/or crematorium use. I oppose this policy because:

We have lived in this area for 24 years and have watched this site develop especially latterly, thanks especially to the volunteers. It is now a lovely place to go walking and to sit and watch the local wildlife. If it wasn't for this facility during the recent pandemic, I am sure a lot more of us would have had mental problems.

Firs Farm wetlands is a vitally important community resource, essential to the health and well-being of us locally people in many ways.

I call on the Council to remove all reference to Firs Farm wetlands from Policy SP CL4
