
I am writing to object to the draft policy DM BG16 in the draft Enfield local plan. This allocates Firs Farm Wetlands (Site ID SA59) as a site for burial and/or crematorium use. I oppose this policy because Firs farm is a much loved, used community resource which has provided and continues to provide essential benefits to the health and well-being of all who use it. The proposal will significantly affect the local site of interest for nature conservation and reduce the biodiversity and nature conservation interest of Firs Farm wetlands, contrary to several other policies in the draft Local Plan.

I would like the council to remove all references to firs firm wetlands from policy SP CL4
