one of the best things about Enfield is the green belt so rare for London where people from inner London and locals can enjoy

The history and what the green belt has to offer the main roads Stag Hill and Enfield Road cannot cope now and if there is a problem.. on the M25 the whole area is snarled up there are not enough amenities ie A and E schools GP'S

There are areas in the Borough which might benefit from redevelopment but not the precious green belt once lost gone forever
