
I heard very sadly you want to build a crematorium in Firs Farm.
I objection, because of more reason as well.
Firs Farm green space is a very good opportunity for family living here to exercise, walk, play for children.
It is a beautiful neighborhood with lots of trees, fresh air, and a wonderful lake full of aquatic animals, and lots of plants.

It is incomprehensible to me why you want to take all this away from people. I hope you reconsider your decision before you act
