

---

I write to register my utter dismay at the prospect of part of Firs Farm Wetlands being used for a crematorium/burial grounds and I urge you to remove all reference to Firs Farm Wetlands from Policy SP-CL4.

Now, more than ever, large, open, outdoor spaces are central to the health of the community. I am one of many, many Enfield residents who love Firs Farm Wetlands and use it almost daily for sport, recreation, tranquillity, fresh air, social enjoyment and general wellbeing. It is not for me to point out that the immediate surrounding area hosts two schools and a built up residential area, but I can tell you that the Wetlands has become a crucial community hub and facility. Your proposal threatens to undermine that catastrophically, causing demonstrable harm to the quality of life in the borough.

Thank you for your consideration.
