

---

I am writing to object to draft local plan that Enfield (policy DM BG10, Site ID SA59) have for a Crematorium on the Firs Farm wetland/Playing Fields. This is too close to home and also my children's school. We walk through the wetland/playing field to get to and from school as the children enjoy walking/playing there. This place was a life saver for everyone during lockdown. We would take our walk, bike rides here during lockdown, it is very upsetting that Enfield council would do this to such a beautiful place.

I call on the Council to remove all reference to Firs Farm wetlands from Policy DM BG10.
