I have lived in Hadley Wood for 21 years. I value all the green spaces within Hadley Wood and was drawn to the locality as it is surrounded by Green Belt, which protects the special character of the area. I therefore object to the proposed site allocation, which would allow the development of 160 homes on Green Belt land.

The Green Belt must be protected and conserved in North West Enfield where it serves vital purposes including separation from Barnet and Potters Bar, helping air quality in the borough and biodiversity. It cannot be right to plan to destroy this Green Belt, directly contrary to all green and climate change policies. We should be protecting and conserving our remaining green spaces now and for future generations.

Can you please therefore remove this proposed site allocation from the next edition of the Local Plan and retain the green belt status for the land.
