
I am against the draft policy DM BG16 in the draft Enfield Local Plan
This allocates Firs Farm Wetlands (site ID SA59) as a site for burial or crematorium use
I oppose to this policy because

1) The policy directly contradicts Strategic Policy SP CL4 in the draft local plan. This identifies Firs Farm as facilitating and contributing towards developing sport and leisure facilities in Enfield

2) The proposal will reduce the effectiveness of the flood alleviation provided by Firs Farm

Wetlands, which Enfield Council has spent over a million pounds (GBP) to provide

3) Firs Farm Wetlands is a vitally important community resource essential to health and well - being of the local people in many ways

So I call on the council to remove all reference to Firs Farm Wetlands from Policy SP CL4
