
I have lived in Hadley Wood for 15 years and I value all the green spaces within Hadley Wood and was drawn to the locality as it is surrounded by Green Belt, which protects the special character of the area. I therefore object to the proposed site allocation, which would allow the development of 160 homes on Green Belt land.

This is completely unacceptable to destroy the green belt especially with the current climate. I am so disappointed that this greenery will be gone.

Can you please therefore remove this proposed site allocation from the next edition of the Local Plan and retain the green belt status for the land.
