
21/03158/FUL | Redevelopment of site by the erection of 4 x 2-storey, semi-detached family dwellings with accommodation in roofspace, parking and associated works. | 38
Houndsden Road London N21 1LT

We are writing to object to the above development. We enclose the points below in support of our objection.

Houndsden Road is already crowded with traffic and parking problems. This development will just exacerbate this problem.

The parking facilities that are being applied for are very close to the blind bend on Stone Hall Road, which will make this development dangerous to drivers and pedestrians.

This development is out-of-character with the rest of the road and the area and will adversely impact on its character.
