I am very opposed to this Local Plan. I do not drive and Sainsbury's is very convenient for me to walk to and has everything I need. The Sainsbury's in Highlands is inconvenient for me and the Sainsbury's local does not stock the same items as the big store. I am totally against this plan. What is the council thinking of, they are going to change Palmers Green and Winchmore Hill completely with more people, a strain on Doctors surgeries, Chase Farm Urgent Care, schools, nurseries and the amount of traffic that already clogs up our streets.
