I am writing to object to the following policies:

SP PL10, pages 80-70 and figure 3.11

SP PL9 pages 77-80 and concept plan figure 3.10

SA45: land between Camlet Way and Crescent Way, Hadley Wood page 364

SA54 page 374

SA62 page 383

SP CL4 pages 277-279

These policies propose to use The Green Belt for housing and other purposes by designation.

I object on the following grounds:

Enfield Chace, which falls within the proposed development sites is of historic significance to the Borough of Enfield and Greater London. The character of Enfield would be changed forever with the loss of this Green Belt Land

Parts of the publicly owned Whitewebbs Park should not be sold to a private company (THFC) Whitewebbs Golf Course is also a public amenity, which should be protected as an affordable sporting amenity for residents. I reject the Council's analysis of the cost of maintaining it.
