

Objection to sa32, Sainsbury's green lanes n21 3rs. P315 p359 of the Enfield local plan

---

I object to the above project. Please take this objection into consideration as a resident of winchmore hill. We live on highfield road and we are regular users of the Sainsbury's, it enables us as a family to use our car less and walk over to do our grocery shop. Replacing this for local residents will have a huge impact environmentally. I feel at a time when we are trying ways to think sustainably it would be an unwise move to take away such a large supermarket in our area.
