

I would like to register my objection to the proposal to close the Winchmore Hill Sainsbury in order to build housing.

This is a vital community hub. Situated in the heart of the village it is well used and its removal would mean travelling quite a distance to get to another Sainsbury store.

It also provides some additional parking for the area where a lot of street parking has been removed in order to accommodate the cycle lanes.

I am a mother of 2 disabled children and the store provides me a safe parking environment to access a supermarket and also do my school drop off across the main road.
