
Please can you stop ruining Enfield by trying to build on every site you find. Not sure why you are doing this but im guessing has to do with ££££££ Enfield was such a nice place but building flats everywhere will be its downfall along with all the silly cycle lanes. Here are some other reasons listed below:

Local Facilities

- The loss of a major supermarket in the area will force people to have to drive further. This would especially affect elderly and disabled residents and increase car usage on local roads
- No supporting community infrastructure planned which will lead to an overstretch of existing facilities such as schools, doctors' surgeries, dentists
- With the Fords Grove car park going and 14% of car parking on Winchmore Hill Broadway having gone, this development will lead to a further loss of revenue to local shops leading to potential closures

Impact on local residents

- The increase in vehicles on the road from potential residents of this development, will increase carbon monoxide levels which will impact locals and especially school children at Highfields school
