I am deeply concerned about the proposals in your draft local plan as they are unnecessarily destroying our wonderful green belt. You cannot get it back once it's gone. COVID showed us how important these spaces are to us all, but particularly to our children. Do not take them away!

Specifically, I am against the following aspects:

Policy SP PL9 pg 77-80 and the concept plan fig3.10- - 3,000 new homes in the Crews Hill area.

SA62 pg 383 & SP CL4 pg 277-279 - the large expansion of the Spurs football training ground.

SP PL10 of 80-87, fig 3.11 - 3,000 new homes on the open green belt near Trent Park.

The decisions you make have huge implications on all of us. Please, please do the right thing and save our green spaces.
