

Draft Local Plan - Site SA45 (Land between Camlet Way and Crescent West, Hadley Wood) and
Intensification Zone around Hadley Wood station

I have lived in Hadley Wood for 14 years now. I value all the green spaces within Hadley Wood and was drawn to the locality as it is surrounded by Green Belt, which protects the special character of the area. I therefore object to the proposed site allocation, which would allow the development of 160 homes on Green Belt land.

The Green Belt must be protected and conserved as it serves vital purposes including separation from Barnet and Potters Bar, helping air quality in the borough and biodiversity. The centuries' old grasslands are an important resource for carbon sequestration and this should not be spoilt!!

Can you please therefore remove this proposed site allocation from the next edition of the Local Plan and retain the green belt status for the land.
