

## Sainsburys redevelopment

---

Enfield council what are you doing to our local Area!!!

From ridiculous road schemes to building a Crematorium on a green space enjoyed by many local residents!!

You really are a joke council ,not only my words but that of many people I speak to.  
I'm looking forward to voting you out at the earliest opportunity!!

So just to confirm I disagree with plans to redeveloped the sainsburys , like so many local council tax paying residents!!
