

Winchmore hill Sainsbury"s

---

I strongly object to the suggestion that Winchmore Hill Sainsbury's should be closed. I cannot shop on line and would find it very inconvenient not to buy my daily groceries here. I understand it is necessary to build more houses but Enfield is reaching saturation point and in any event this is not the place to build more of them. There are other brownfield sites to do this. Please Enfield Council have a detailed survey down of all the land in Enfield and use your imagination.
