
Subject: objections to Draft Local Plan SA32 SAINSBURYS GREEN LANES p359 of the Enfield Local Plan

Dear Enfield Council,

I have only now found out about your proposal to redevelop the Sainsbury's site on Green Lanes with around 300 houses.

I would like to log my objections to this proposal.

1. Loss of local facilities to the area
2. People will be forced to drive further, causing more pollution to the area. Sainsbury's is in walking distance for many.
3. More houses means more people, requiring more facilities such as doctors, schools etc. which are already at breaking point.
4. Not everyone shops on line.
5. Sainsbury's also offers a meeting point for many to have a coffee and a chat after or before shopping.
6. Provides Local work for many

I hope you reconsider this proposal

Enfield is getting very tight for space with continuous development of open spaces, pretty soon no one will be able to breath in Enfield
