

Concerns/feedback for the Sainsbury site on Green lanes,681 Green lanes,London N21 3RS

---

I wish to object strongly to the proposed development t N21 3RS.

I am registered blind and as this will increase traffic and pollution in the area,it will affect me considerably-making my life less safe.

Also the loss of Sainsbury 's superstore will cause me greater inconvenience as I will need to travel alot further to do my daily shop.

There is also concerns of my loss of privacy if a block of flats is overlooking my garden and my bedrooms.
