

I would like my objection noted regarding the above. My reasons for my objections are as follows:

- The Sainsbury's store on Green Lanes N21 is the only large supermarket for this area. I, along with many others, will have to travel a lot further to reach another large supermarket.
- the area is already short on school places, both primary and secondary, where are the children of the families who would move in to the proposed housing go to school?!
- due to the ridiculous cycle lanes installed in N21, along with the proposed LTNs traffic is already building up and journeys are taking a lot longer - this development will bring even more traffic to the area!

I really do hope that Enfield Council sees sense and DOES NOT go ahead with the proposed plans and we, as a community, are able to keep our Sainsbury's!!
