

Objection to SA32, Sainsburys Green Lanes N21 3RS. Page 351 of Enfield Local Plan. Redevelopment of supermarket and car park to mixed-use homes and non-residential floor space

---

I am writing to object to the above planned scheme which will result in many more vehicles having to travel to other supermarkets on an already congested stretch of Green Lanes. More vehicles means more pollution particularly for those of us who cycle, pedestrians and children in the schools local to Sainsburys such as Highfield and Winchmore. There are no schemes for providing extra community infrastructure such as schools, doctors and dentists which are already oversubscribed in the area. People also use the Sainsburys car park in order to visit local shops which will therefore suffer and possibly not be able to survive.
