

Re Development of Sainsbury's site Winchmore Hill

I totally object to another big mistake by Enfield Council and what you want to build . . What planet are you on .
We are already suffering from LTN and have You thought of the traffic in Green Lanes should this go ahead .
It's already bad enough and all the fumes we are inhaling never mind making it worse . Where. Is Sainsbury's
going to do our shopping .
Have a heart.
Think of your next election
