I am writing to object to the plan of demolishing my local supermarket, Sainsburys at Winchmore Hill, and building 299 new homes on this site. We are already living in a highly populated area; traffic is a constant jam along that part of Green Lanes.

If more homes are going to be built, where are these people going to shop? Sainsburys is the only decent supermarket in this area.

Where are the new school places going to come from? As there are still children who have no school place at the moment.

Where are the doctors and dentist surgeries coming from? It is already very difficult to get an appointment with long waiting times.

I think Winchmore Hill has enough to deal with at the moment. Please leave it alone.
