

### High rises in Enfield

---

High rise blocks are not only a blot on the landscape but they encourage crime and drug use and are against anyone having a small piece of open space to call their own. I object strongly to these buildings especially in an old market town like Enfield Town, it will totally alter the aesthetics of this wonderful space. They will overlook the ancient areas of Gentlemans Walk, which is something we should be proud of and not denigrate to the lowest common denominator.

Please stop this desecration of our town.
