

Draft Local Plan - Site SA45 - Land between Camlet Way and Crescent West, Hadley Wood

---

I am writing to register my opposition to the proposed development of 160 new homes on the green belt at the edge of Hadley Wood.

I have visited Hadley Wood for the past fifteen years I am a regular visitor to close family who live in the area. I value all the green spaces within Hadley Wood as I am a keen walker and environmentalist drawn to the locality as it is surrounded by Green Belt, which protects the unique character of the area. I therefore strongly object to the proposed site allocation allowing the development of 160 homes on Green Belt land.
