

Objection to SA32, Sainsburys Green Lanes N21 3RS. Page 351 of Enfield Local Plan: Redevelopment of supermarket and car park to mixed-use homes and non-residential floor space.

---

I would like to raise my concerns about this as this is our closets and most convenient place to do our shopping. I work late and it is quick and easy to pop into that sainsbury. There is also already enough traffic on green lanes and by doing this it will increase the traffic and make going to work harder and longer. It will also increase the pollution as there will be more cars in the area.

I fell this has not been thought out for the locals and the environment.
