

Objection to SA32, Sainsburys Green Lanes N21 3RS. Page 351 of Enfield Local Plan: Redevelopment of supermarket and car park to mixed-use homes and non-residential floor space

---

I think the plan to take away the only really local supermarket for Winchmore Hill is ridiculous and will be a huge inconvenience for the local residents. It will also make congestion in the area worse than it already is and the demand and traffic for the other supermarkets will be crazy. Where are local people without transport going to get their daily groceries from?

With the development in Cockfosters with additional 250 homes is just going to add more chaos to this area and you are going to force people further away.
