> I object to draft policy DM BG16 in the Draft Enfield Local Plan to allocate Firs Farm Wetlands as a site for crematorium and / or burial use.

> I oppose for numerous reasons - impact on wildlife, destruction of habitats for hundreds of species, increased pollution for surrounding areas, but mainly due to the adverse effect it will have on the local environment and that we will lose part of the local community that is essential to many people's health and well being including that of myself and my family.

Thanks,
