Dear Enfield Council,

I am a young person living in the borough and do not know much about politics. But I am saddened to read your plan to get rid of our green areas. I know we need to build houses, but choosing Green belt land rather than brown field sites which still remain available is not right. I object to the following Policies: SP PL10, pages 80-87, and Figure 3.11; Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10; Policy SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364; Policy SA54, page 374; and Policy SA62 page 383 and SP CL4 pages 277-279 – all of which will ruin our Green Belt for housing and other stated proposals.

I studied geography and infra structure and believe that it would make more sense to build affordable homes where they can bring regeneration to deprived areas and preserve Enfields Green Belt.
