- The 'Spatial strategy' ([section 2.4](#)) which identifies how growth will be distributed across the Borough over the plan period and gives rise to the strategies for housing, employment, town centres and countryside green belt;
 - 3,000 new houses at a 'deeply green' 'sustainable urban extension' referred to as 'Chase Park' (also known as Vicarage Farm) on the open Green Belt countryside next to Trent Park either side of the A110 (Enfield Road) between Oakwood and Enfield town ([Policy SP PL 10, pages 80-87, and Figure 3.11](#));
 - 3,000 new houses in a 'sustainable settlement' at Crews Hill with the potential for longer term expansion up to 7,500 new homes right up to the M25. ([Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10](#));
 - 160 homes in Green Belt countryside at Hadley Wood ([SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364](#));
 - Industrial and office development in the Green Belt near Rammey Marsh ([SA52 page 372](#));
 - 11 hectares of new industrial and storage and distribution use at what is currently agricultural land east of Junction 24 of the M25 at part of new Cottages and Holly Hill Farm within Enfield Chase ([SA54, page 374](#));
 - a big expansion of the Spurs football training ground to the north of Whitewebbs Lane up to the M25, comprising of 42.5 hectares of land, for "professional sport, recreation and community sports/leisure uses" ([SA62 page 383 & SP CL4 pages 277-279](#));
 - Encouragement for tall buildings, including in sensitive locations such as the town centre conservation area ([see pages 156-60, Figure 7.3, Figure 7.4 and Policy DE6, and SA2 Palace Gardens Shopping centre page 321](#)). A higher quality version of figure 7.4 is also available on [The Enfield Society](#) website, showing proposed maximum building heights across the Borough.
 - There is a full list of housing development sites within Policy SP H1 on pages [183-185 \(section 8.1\)](#). In total over 30,000 homes are planned for by 2039. This equates to around 1,500 homes per year over 20 years, but only 429 have been completed since 2019 ([Table 8.2, page 186](#)). Please find above the listing to which I am objecting too I have lived in Enfield all my life and these areas are very dear to me I wish them to be kept not just for myself but my children and there children once lost they can never be replaced whitewebbs is very dear to me and a lot of other people I sincerely hope that Enfield council for once listens to the voices of there Enfield residents profit is not always the way to go and not to make the borough in to one giant housing estate the green belt is very important to the biodiversity of the borough the animals wildlife and more importantly peoples mental health please listen to our opinions
