Objection to SA32, Sainsburys Green Lanes N21 3RS. Page 351 of Enfield Local Plan.  
Redevelopment of supermarket and car park to mixed-use homes and non-residential space.

I am appalled that the Sainsburys site is included in the Local Plan.

299 dwellings is an obscene amount of housing to pack into this area. The local area is already stretched to breaking point in demand for local schools, doctors, hospitals etc.  
The social and community infrastructure is not there to support it.

Green Lanes is already heavily congested, this redevelopment will worsen it.

The supermarket sits within an area with beautiful Edwardian and Victorian housing.  
Introducing high rise and/or modern housing will change the character of the area.  
This redevelopment will change the skyline of the area forever.

The supermarket serves Winchmore Hill, and as a place to shop it's very much needed. It is the only large supermarket in Winchmore Hill.

The green space around the supermarket is home to woodpeckers. It's an oasis for local people to enjoy it's green space. It's trees are beautiful and should be protected.

Yours sincerely,
