Dear Sir/Madam,

I am writing to object to the following local plans:

1. Policy SP PL10, pages 80-87 Figure 3.11

I object to the building of homes on the green belt. This area is widely used by people walking in the countryside.

2. Policy SP PL9 pages 77-80 Concept Plan Figure 3.10

I object to the building of 3,000 new homes on this green belt site. The area is NOT a local transport hub.

3. Policy DE6 (pages 156-160) and SA2 Palace Gardens Shopping Centre page 321.

I object to the building of such a tall building in this sensitive location. Enfield Town is a conservation area. Such a large building would be in contradiction to the ethos of the market town of Enfield.
